

## Innovative Solutions4Moldova Hackathon

UNDP Moldova announces the organization of a hackathon that will address the country's most pressing needs related to energy, agriculture, and road safety. The event is organized with the financial support of the German Federal Ministry for Economic Cooperation and Development (BMZ), in partnership with the Government of the Republic of Moldova, Deutsche Gesellschaft für Internationale Zusammenarbeit (GIZ) GmbH, Technovator, Orange, Premier Energy, and Waze.

**10-12 November 2023**

## Detailed Agenda

### DAY 1

#### Hackathon Kick-off

On this day, the participants and organizers will meet for the first time to kick off the hackathon and to do all preparatory work for the hackathon, which includes team formation and understanding the rules and challenges. This is done to save time for actual work on the following day. A short opening ceremony will take place as it is more of an informal event.

17:00	<b>Registration</b>
17:30	<b>Opening &amp; welcome speeches</b>
	<b>Introductory word</b> <i>by Iulia Țvigun, Communications &amp; Media Officer, the Digital Transformation Programme, UNDP Moldova</i>

18:30	<b>Team formation</b> <i>by Iulia Țvigun, Communications &amp; Media Officer, the Digital Transformation Programme, UNDP Moldova</i>

## DAY 3

### Hackathon closing

On this day, the participants will finalize working on their prototypes and will present them to the jury. The jury is composed of representatives of five ministries and several state agencies, as well as civil society organisations and the tech community (see full list on the next page).

The jury will select three solutions (one per each subject – energy, agriculture, and road safety). A representative from UNDP, GIZ, and Orange Moldova will be asked to announce one winner (team) each and will present them with a big diploma and various gadgets.

<b>14:00</b>	<b>Pitching</b> <i>by Iulia Țvigun, Communications &amp; Media Officer, the Digital Transformation Programme, UNDP Moldova</i>
